

Arif Muhammad

UI/UX Designer & Front End Developer

Coverletter

Dear HR Manager,

I'm actively looking for a full-time opportunity and immediately available to join.

My professional experience includes bringing the initial design concept to life through front end development, as well as do the back end development to create a stellar finished product. If you can imagine it, I can build it.

Career highlights and key strengths:

- Over 12 years of GCC experience (UAE & Qatar).
- Working as a UI/UX Designer at Cobone since 2011
- Managing brand consistency, user interface and front end development for Middle East's biggest daily deals website.
- Crafted various freelance websites using HTML5 CSS3, JavaScript, JQuery and PHP/Wordpress in past years

Please find attached my CV for your consideration and I would be very grateful for a chance to prove myself. I'm excited to speak with you soon.

Respectfully,

Arif Muhammad
